Dear Friend:

Greetings from **W A R M** Ministries located in the frozen land of northern Vermont. We have been praying for you. Here at **W A R M** we keep a constant prayer vigil. Our mission is to comfort and support our wealthy brethren. We know the terrible burden you carry. Money is *not* a blessing. The great profit Moneykiah is our inspiration. His constant reminder of the necessity to keep yourselves poor has been the guiding beacon for us here at **W A R M**.

For this reason, I am giving you not one but two opportunities to rid yourselves of this terrible blight. First, my dear wife and I are considering having another child. This will make our sixth little blessing. In order to pay for the baby we are offering **platinum bonus certificates** . For any amount you feel compelled to give over \$1000.00, you too can be a part of this special ministry. There were over 100 available. Now there are **only 2 left**. You must **hurry**. We will reserve these 2 certificates for you, but you must send a certified check, money order or VISA card number **no later than Sunday midnight**. After that time the offer will be made to the unsaved world.

The second opportunity appeals to those who **want to take it with them**. They often say nothing goes with you to heaven. Well, here is your chance! We are offering a post death ownership in the very sought-after Zack woods properties (marketed by ZAP, Zack Area Properties). Yes, it is true. After you die you will become an exclusive member in this famous resort condominium complex. **Send now** a \$10,000.00 check to reserve your choice condo. We will contact you later about the details.

By now you are probably pretty curious about our name. Of course, due to certain state and federal laws as well as those found in Trionomy (recall Trionomy is the third book of the law, following Deuteronomy) we

cannot divulge this information to nonmembers. We would love to have you join. And best of all, membership is free, just repeat the following pledge,

*I promise to devote all my financial energies to the great **W A R M** Ministries. I will give above and beyond what is reasonable. I will never complain. I promise to recruit wealthy friends.*

Well, did you join? If so, you can read on. **W A R M** stands for **We Are Resisting Mammon** (money in Aramaic). Don't you feel great? I knew you would. It is so nice to have you on the dole (I mean, in the fold).

With **W A R M**est regards

p.s. we can send you a special membership plaque for only \$19.95.

Dear Friend:

Support Discovery! This will be our focus for the 1990's. We at **W A R M** have just finished our Long-Range plan. The theme of this exciting process is **Support Discovery!** Between now and the end of the century, we will be "discovering" how you can support us. I am truly shocked at the vast number of ways I can spend your money. Ways that I never realized existed. Moreover, there is no guilt for us. We are not living in well-heeled neighborhoods sending money requests to poor Vermonters. We are poor Vermonters asking YOU and your wealthy neighbors to support us.

I bet you could think of ways for us to spend your money. After all, you are rich and have years of spending behind you.

We need your help!!!

Every day, internal exiles come to Vermont seeking spiritual asylum. They come ravished, exhausted, **BROKE** and completely shattered. We take them in, feed them, give them hope and show them God is not defined by "keep up with the Jones". Although I do have a reserved parking spot, it is only because I have freed myself from the "keeping up with the Jones" lifestyle. Moreover, I have a clear vision of heresy. Thus, I can provide these poor exiles with the means to integrate back into life.

Recently "S" (not her real name). came to WARM. Here is her story:

WARM has warmed my heart. For the first time I was able to speak freely, without fear of looking poor, without being judged for having less than my neighbors. It was here that I found peace and joy. My soul is cleansed.

Please help.

We must find our **Support Discovery!** by January 1. Otherwise, these poor exiles will have to be returned to their miserable life of unbridled wealth.

Rejoice with us this Christmas season.

There is no better gift than your money.

Dear Friend:

W A R M has gone into the music ministry. Now you too can be a magnificent part of this ministry. For only a few dollars a week you can support this musical magnificence. Here are the lyrics to our first hymn. The tune is from *Row Row Row Your Boat*.

*Woe woe woe your boat
gently down life's stream
merrily merrily merrily merrily
you're living in a dream.*

*Woe woe woe you sinner
soon it all shall end
your dream will go and then you'll know
we at W A R M are friends.*

*So send send send your money
before it is too late
send it now and send it all
this will save your fate.*

*Soon soon soon he comes
the Profit Moneykiah
merrily merrily merrily merrily
he you cannot buyiah*

*the Profit he recounts it all
what you've given us
t he dollars and dimes the large and small
giving is a must!*

*So act act act dear friend
That's the only way
otherwise burn in hell
wishing you did pay.*

I hope you find this little hymn inspiring. I am sure your checkbook will.

Dear Friend:

Eat right and be W A R M.

Do you often feel down? Maybe it is because you are not eating right. Perhaps you have too much stress. Perhaps you have inherited "bad" genes. We at W A R M have a solution for your problem. We can make you W A R M for life. Never again will you feel depressed. All you need is the **EAT YOUR WAY TO HAPPINESS** diet. Yes, for a mere \$19.95 per month you can forever be trim, fit, and happy.

If you order now, we will send, **FREE OF CHARGE**, our newest creation for keeping yourself up. Because we have not received our patent, I cannot divulge its contents. However, I can tell you it consists of a sock and a ball. When you rub it on certain parts of your body it relieves your deepest anxieties. We at W A R M cannot, of course, mention where to rub.

Dear Friend:

Want to be **W A R M for life**?

We are in the process of developing this wonderful program. It will solve the age-old problem.

Have you had a wonderful spiritual high only to see it fade into the humdrum of everyday life?

Now you can be **W A R M for life** with our lifetime membership to W A R M. The entrance fee is all you have. The advantage is that we will notify all other ministries of your membership. Just think what that means. As a member of **W A R M for life**, you won't have anything. All the other ministries will remove you from their mailing lists. We do have a 30-day no-obligation free trial. You sign up, sign over (all your possessions) and, at the end of 30 days if you are not completely satisfied W A R M is under no obligation to return anything to you. Please advise us soon of your decision. There is a **limited number of openings**. You must **sign up soon don't delay**. It would be a terrible crime to lose to a heathen.

Dear Friend:

By now I am sure you have heard about my medical crisis. I would like to say "thank you" to all those who sent cards and letters. Of course, I have an even bigger thanks for those who sent cash. I won't bore you with all the details. In summary, it was about a month ago I had a cash attack. Fortunately, I was able to get to a bank in time. It happened about two in the afternoon on September 2, 1990. I was going over the income statement with my accountant. Frankly, things were looking very bad. Our **Support Discovery** campaign didn't generate the revenue I was expecting. I felt a low pain in my heart (just where I keep my bank book). It began to spread down my arm. I knew I was in serious trouble. My accountant and dear friend called the bank. There was money to cover the next month. I had all my funds transferred into my checking account. That transfusion saved my life. I am so thankful for electronic funds transfer. I wouldn't be with you today if I had had to go to the bank to make the transfer.

Now I am over the immediate crisis. It has taken two weeks to recover enough to write this letter. However, the long-run picture is very bleak. Frankly, I don't know how I am going to make it. It is because of backsliders and deadbeats like yourselves that have caused my money malaise. You are way behind. Don't you know it takes a lot of **MONEY** to finance an operation like **W A R M**? Do you think it grows on trees? Haven't you been brought up to give? Don't you feel guilty? You should! You brought this on me. I can't keep this up forever.

Enough said. I just want you to know, if you don't give, I'm going to place a full page ad in the New York Times (Sunday edition) and C T stating exactly what kind of a deadbeat you really are. Then the entire world will know.

You may think of this as extortion. Well, go ahead. Think what you want. I consider it extreme measures for the extreme backslider. You will thank me for this one day.

Suffering,
something we all
must live with

Dear Friend:

Suffering is something we must all live with. Pain is a part of our everyday lives. That is why we at **W A R M** have decided to make this the **Year of Suffering**. Our entire ministerial effort will be devoted to comforting those who suffer. One area of great concern is co-dependency. Many have not worked out their codependent relations. We have developed a special series of videotapes to help you. I am sure you will find these instructional guides are just what you need. The topics are:

Marriage and Codependency: Cognitive Dissonance
Codependency and Cohabitation: How To Do It
12 Hints on Successful Codependency
The three C's: Codependency, Coexisting and Copulation
Living in The Global Village
Codependency in Southern California (X rated)

Another area of suffering encountered by many is baldness. I have developed a booklet on how I have overcome this middle age disaster. Written mainly for men, this handy discourse will help you work through the issues you must face. As a special offer, each book comes with the "Codependency in Southern California" video tape.

Suffering,
something we all
must live with

Dear Friend:

In our last newsletter we announced that this was to be the year of suffering. In order to help you through those difficult times, we have added a new member to our staff.

I am pleased to introduce **Dr. Dyrli Gilson**, a world-renowned educator, author, producer of Pool House Knock video series, and most of all a **Sufferer**. Dr. Gilson, whom we affectionately call "Gill", will help you with your problems. In our next letter we will introduce his byline: "Ask the Doctor". Please direct your questions to:

Dr. Gilson
WARM Ministries
Wolcott, VT. 05680

or feel free to call 802-888-4324 (please note we cannot accept collect calls)

Here is a sample of some of the questions Dr. Gilson will answer:

- Is home schooling appropriate for my cat?
- What about the heartbreak of cohabitation?
- Why don't shy people sing?

Dr Gilson will also provide answers to many of those interesting facts like what is the Queen of England's last name, how much wood could a wood chuck chuck, if a wood chuck could chuck wood, and why do southerners speak funny.

Suffering,
something we all
must live with

Dear Friend:

In our last newsletter we announced that **Dr. Dyrli "Gill" Gilson**, world-renowned educator, author, producer of Pool House Knock video series and most of all a **Fellow Sufferer**, joined our ministry.

Dr. "Gill" has received hundreds of your heartwarming and deeply-suffering letters. Here is one he felt compelled to share.

Mary from Fayette writes:

"Dr. Gilson, I am suffering with procrastinating-mail syndrome. I just can't get my WARM support check out on time. I feel shame and guilt. What should I do?"

Dear Mary, many suffer as you do. I understand. I feel for you. I have suffered this way also. Fortunately, through the excellent leadership of Brother Black, there is a solution. It is called the Easy Giving Plan.

The Easy Giving Plan lets your monthly gift be deducted directly from your checking account on the same date each month. With Easy Giving, you save the anxiety of delayed-ail syndrome. It also saves the time and trouble of writing a check each month. There is no need for us to send you those nasty late payment notices. It saves WARM postage and computer processing time. You know what that means. It means we at WARM can devote our energies to our new real estate development. Zack Properties was such a success that we are developing an extension. I hope you find the comfort that I did with Easy Giving.

Your friend Gil.
